PROFILE

Motivated Software Engineering graduate currently pursuing a Master's in Artificial Intelligence, with strong foundations in programming, web development and machine learning. Passionate about teaching and guiding students in both theoretical and practical domains. Seeking a **Lecturer** or **Lab Instructor** position to contribute to academic excellence and student development.

EDUCATION

MS Artificial Intelligence

COMSATS University Islamabad

2026 – Present

In progress

BS Software Engineering

COMSATS University Islamabad

2021 – 2025

CGPA 3.03 / 4.00

Intermediate

Punjab Group of Colleges

2017 – 2019

Marks 758 / 1100

Matriculation

Private

2015 – 2016

Marks 836 / 1100

TEACHING EXPERIENCE

School Teacher (Matric & Intermediate)

2025 – 2026

- Taught Matric and Intermediate level students.
- Managed exams, assignments and student assessment.

ACADEMIC PROJECTS (2021 – 2025)

- AI-Based Text Emotion Recognition** – detecting emotions from text using machine learning.
- Kammati (Committee) Mobile Application** – committee management app built with Flutter.
- College Database Design** – relational database design for a college system.

TEACHING SKILLS

Course Design & Delivery

- Outcome-Based Education (OBE)
- CLO-based teaching and assessment
- Lesson planning and lecture delivery
- Lab supervision and practical training

Assessment & Mentoring

- Quiz, assignment and exam design
- Rubric-based, CLO-mapped grading
- Classroom management
- Student mentoring and feedback

SOFTWARE ENGINEERING SKILLS

Modelling & Design

- UML diagrams (use case, class, sequence, activity)
- ER and data flow diagrams
- Object-oriented analysis and design
- Design patterns and software architecture

Engineering Practices

- Software Requirements Specification (SRS)
- Software testing and quality assurance
- Agile / Scrum and SDLC models
- Git / GitHub and project documentation

TECHNICAL SKILLS & TOOLS

Languages: Python, C++, SQL, HTML, CSS, SASS, Flutter

Areas: Machine Learning, Deep Learning, Databases, Web Technologies, Mobile App Development, OOP

Tools: VS Code, Android Studio, Visual Studio, GitHub, DBMS, MS Project, MS Office, Google Colab, Kaggle

CERTIFICATIONS

Introduction to Deep Learning & Neural Networks with Keras

IBM | Sep 2026 | Credential ID: OJCD82P8YG0Y

Machine Learning with Python

IBM | Jul 2026 | Credential ID: J94XC7FKNNVC
